

Forklift Electrical Part

Forklift Electrical Parts - Lift trucks along with different lift trucks may have particular labels utilized in certain hazardous locations. The label denotes that this certain model of forklift meets the minimum standards of ANSI/UL 553 intended for electric lift trucks or ANSI/UL 558 for internal combustion engine lift trucks.

Applications for marked forklifts could be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Areas of Use, Maintenance and Operation, and Type Designations. Check with your local insurance carrier and Fire Marshall for further info on the permitted uses of industrial powered trucks in your application.

If the lift truck has been proven to satisfy the outlined standards, the following labels may be put. A labeled truck would have the model description located on the lift truck nameplate and would have one of the following labels put.
