

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized within the industry as strong and durable machines that meets the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These kinds of scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to provide warranty service, equipment and components for these kinds of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of numerous facility managers where efficiency and results count. Recently, this floor scrubber model has been utilized by the architects in various construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on location due to the model's utmost performance level and excellent quality for polishing concrete.
